

On January 13, 2020, the preparatory department of DNMU in Kropyvnytskyi held an event dedicated to winter holidays in Ukraine. As part of the event, foreign students got acquainted with the New Year traditions and the peculiarities of celebrating winter holidays in Ukraine.

The students of the preparatory department learned the topical vocabulary and consolidated their knowledge through the participation in linguistic quizzes.

During the event, the students had the opportunity to write down their New Year's Resolution as a promise to themselves to improve some aspects of their lifestyles, as well as to exchange New Year's wishes to each other.

Upon completion of the event, the students received New Year predictions and sweets prepared by Inna Lopata, a Foreign Language teacher.
